IN ORDERING the Knitted Suits through our Mailing Department, be careful to give the exact bust measure. In ordering the Misses' Suits, give the age and also the length of the skirt.

These goods will be sent C. O. D., if requested, but the express companies do not allow any examination of packages in advance of payment. It is, therefore, best that all orders be accompanied by remittance, or by satisfactory commercial reference.

Lenox Suit No. 1.

The Lenox Knitted Suit, for Ladies and Misses

Style "Number One"

AS PICTURED in the cut on the opposite page, is made with tight-fitting waist, knitted of the same soft wool material used in our famous "Tuxedo Suit," with the exception of the striping, which is now knitted in silk, and adds greatly to the general appearance of the dress. They are adapted for either in-door or out-door wear; are light in weight, and as summer dresses are superior to anything made in flannel textures. After three years of constantly increasing demand for these very popular ladies' and children's dresses, we do not hesitate to give them our hearty indorsement.

On another page we show a suit marked style "Number Two," made in the same colors and prices.

We carry in stock the following colors:

Navy Blue, with silk stripes of Red, White or Orange.

Garnet, " " White.

Black, " " White.

The Atlantic Bathing Suit.

The Atlantic Bathing Suit

THE unique bathing costume, as shown in the illustration, is made in two styles—No. 1, with Waist, Drawers, Skirt, Hose and Cap; and No. 2, the same without the Hose and Cap.

The merit of this elastic suit is that it does not impede the movements of the wearer by clinging to the form, as all cloth suits do; and, as it absorbs but very little water, it looks as dressy when the bather comes from the water as before entering it.

The colors are:

| Maroon, | “ White “ Blue. |
| Black, | “ White “ Scarlet. |

Price of No. 1, \$16.00.

Price of No. 2, \$12.00.

Other colors made to order, \$2.00 extra.

The Little Tuxedo Suit.

The Little Tuxedo Suit

OUR EXPERIENCE with this beautiful and practical Suit for Misses and Children warrants all we can say in its favor.

We have spared no expense in its manufacture to make it perfect in every detail; and, in point of style, effect and economy, it will prove superior to any of the cheap imitations which its success created.
